MEET THE ADJUDICATORS

Morrie Enders is the Executive Director of Lincoln Community Playhouse in Nebraska and is excited to be back in Oklahoma with all the Okie's. As a self-proclaimed "Theatre Evangelist," Morrie is proud to have spent a lifetime in community theatre. With over 20 years of experience as Artistic/Managing Director serving in La Crosse Community Theatre, Wisconsin and Kalamazoo Civic Theatre, Michigan, Morrie has done everything from directing to marketing. Morrie is a popular play festival adjudicator and has judged six times for the Army Entertainment in Heidelberg, Germany. He has led workshops on marketing, directing, acting and directing musical theatre. In 2007, Morrie received the AACT Distinguished Merit Award and was awarded the honorable designation of Fellow of AACT.

Joan E. Kole, Ph.D. is an AACT trained adjudicator and has adjudicated in MO, MI and IA AACTFest and is looking forward to adding Oklahoma to that list. Joan has acted in or directed more than 80 professional, community, or education theatre productions in six states. Her passion for live theatre—especially for live theatre involving those 55 and older or those who are challenged in some way—and her respect for *anyone* who risks performing in front of their peers is what fuels her own enthusiasm and creativity. She is passionate about live theatre and the impact that community theatres have on communities and the people in them.

Stephen Slaughter has adjudicated state and regional AACTFests for over ten years and has presented many workshops. A returning adjudicator, Steve is the founder of the first two-year Associates of Arts Degree in Theatre in Louisiana. He has produced or directed 50 shows. Steve has written twelve musical shows for children. He also writes and produces for many local Mardi Gras balls and is known for loving a good time. Steve has received many awards and citations, including the BCPP Chancellor's Award. Steve has held the position of President and Vice-President of the Theatres of Louisiana.

ADDITIONAL WORKSHOP PRESENTERS

Truman Library and Museum, the University of Houston, and spent the last 25 years as Scenic/Lighting Designer/Technical Director for the Cameron University Department of Theatre Arts, Lawton, OK before retiring in 2004 as an Associate Professor. He has served as a Technical Director, Lighting, or Scene Designer for over 170 productions and can never remember the name of his previous show. Scott has worked with the OCTA as Technical Director for the last several OCTAFests and conducted technical theatre workshops for several community theatres. His company Sounds Impossible provides consulting and sound/lighting installation services for theatres, churches, and schools.
